## SUMMARY

---

An engineering graduate with Certification in Data Science, BI and Analytics. Proficient in a range of data analysis tools, including Excel, Tableau, SQL, Python and Power BI. Skilled in data mining, data analysis, data visualization, quantitative analysis and data interpretation, with strong problem-solving skills and ability to work effectively both independently and as a part of team. Looking for an opportunity to apply my skills and knowledge as a Data Analyst, driving business growth and improvement for the organization.

## EDUCATION

---

**Sri Taralabalu Jagadguru Institute of Technology, Ranebennur, Haveri**

*Aug 2019 - May 2023*

B.E in Civil Engineering

## SKILLS

---

- **Technical Skills:** Microsoft Excel, Tableau, Power BI, SQL, Python, PostgreSQL
- **Analytical Skills:** Data Mining, Data Visualization, Quantitative Analysis, Data Interpretation
- **Soft Skills:** Communication, Problem-Solving, Creative Thinking, Teamwork, Time Management

## PROJECTS

---

**Customer Insights and Purchase Pattern Analysis | [Link](#)**

*Feb 2024 - March 2024*

- Analyzed customer order data using SQL, identifying top-selling menu items and frequent order combinations.
- Developed SQL queries to detect patterns in customer ordering behaviour, revealing insights into customer preferences.
- Implemented data cleaning techniques to ensure data quality and accuracy.

**Global Superstore Business Sales and Performance Analysis | [Link](#)**

*Dec 2023 - Jan 2024*

- Designed an interactive and dynamic dashboard that provides real-time insights into global superstore sales, customer demographics, and product performance.
- Utilized Tableau's data visualization capabilities to create intuitive and informative charts, tables, and maps that facilitate data-driven decision making.
- Conducted business analytics and quantitative analysis to interpret sales trends and customer behaviour.

## ACHIEVEMENTS

---

- Secured second place in the College Annual Drawing function (second and fourth year).
- Conducted a social awareness campaign on education and tree plantation.
- Gained team management, time management and data analysis experience through college projects.

## CERTIFICATION

---

**Introtallent, Bangalore, Karnataka**

*Sep 2023 - March 2024*

Certificate Program in Data Science, BI & Analytics
